AUSTRALIA

Carling River

Australia is known globally as one of the world's most diverse and welcoming countries. Of Australia's 24 million population, almost half (47%) of all Australians were either born overseas or have one parent born overseas, with more than 260 languages spoken in Australian homes. In addition to English, the most common are Mandarin, Italian, Arabic, Cantonese and Greek. Australia is the biggest island in the world, the sixth biggest country in the world in land area, and the only nation to govern an entire continent.

WHY STUDY IN AUSTRALIA

Finding a job After graduation

The majority of international graduates say their studies in Australia were a real advantage for their career. So you can feel confident your studies will prepare you for future success.

If you decide to stay in Australia

You may be eligible to undertake post-study work to put your newly gained knowledge to use and gain local work experience.

Education providers and government bodies help connect students with potential employers at careers fairs, employment hubs, job boards and industry networking events in every state and territory.

The support, advice and opportunities you access can be a real advantage as you launch your career.

If you are considering staying in Australia and working after your current visa expires, you'll need to get a new visa.
